Bicycle Blender Use Agreement

I. Purpose

The East Central Wisconsin Regional Safe Routes to School (SRTS) program focuses on empowering local communities and school districts with the resources and knowledge needed to implement SRTS activities. By working to make it safer and more appealing for students (grades K–8) to walk and bike to school, the Regional SRTS Program is continually making strides to improve childhood health, reduce traffic congestion and pollution, and create more livable communities.

II. Scope of Activities

Through participation in the East Central Regional SRTS program any school is eligible to check-out the bike blender(s) and associated bicycle(s) for use in the classroom or at a special event which promotes safe bicycling. The school and/or individual requesting this equipment is responsible for any ingredients or additional materials that may be needed and is also responsible for keeping the equipment sanitary and safe during use. The school and/or individual requesting the equipment is also responsible to clean and sanitize the equipment after use is completed. East Central staff will deliver, set-up, take down, and pick-up the bike blender(s) and associated bicycles(s).

III. Liability

The East Central Wisconsin Regional Planning Commission and its staff will not be held liable in the event that an injury or illness occurs while using or as a result of using this equipment.

Individual Checking Out Bike Blender(s)
