Radar Kit Use Agreement

Purpose

The East Central Wisconsin Regional Safe Routes to School (SRTS) program focuses on empowering local communities and school districts with the resources and knowledge needed to implement SRTS activities. By working to make it safer and more appealing for students (grades k-8) walk and bike to school, the Regional SRTS Program is continually making strides to improve childhood health, reduce traffic congestion and pollution, and create more livable communities.

Scope of Activities

Through participation in the East Central Regional SRTS program any school is eligible to check-out the radar kit(s) for use in the classroom to educate students on safe driving behaviors in school zones. The school and/or the individual requesting this equipment is responsible for all kit materials. The school and/or individual requesting the equipment is also responsible for picking up the radar kit(s) and transporting them to their school and returning them to the East Central WI Regional Planning Commission office located at 400 Ahniap Street, Suite 100, Menasha, WI.

Liability

The East Central Wisconsin Regional Planning Commission and its staff will not be held liable in the event that an injury occurs while using or as a result of using this equipment.
