

WINTER WEATHER WARNING

As temperatures drop, it's time to turn up your safety smarts!

Penguin Walk

Walk slow and carefully when icy! - Try to walk like a penguin.

Gear Up

Wearing boots with treads on the bottom and cold weather gear, can help keep you safe and warm this winter.

Don't play in snow piles near the road and be sure to peek around them before crossing streets.

Stay warm, stay safe, and don't forget - even snow days need smart steps!
